

Asan Memorial College of
Arts & Science
Biochemistry
department

Asan Memorial College of Arts & Science
Jaladampet, Chennai- 600 100.

REGISTRATION FEES

(includes Participation Kit & lunch). By cash

Students (UG & PG) : 100
Research Scholars & Academicians : 200

IMPORTANT DATES

Last date for registration : 29.01.2013
Last date for submission : 31.01.2013
Intimation of Abstract Acceptance : 01.02.2013

NOTE

Spot Registration is also available

PATRON

Mrs. SHYAMALA JAYAPRAKASH
General secretary

ADVISORY COMMITTEE

Dr . Lalitha Ramamurthi
Director (AMCAS)
Dr. Ramanathan, M.Com Ph.D.
Principal,
Dr. A.Ravi, M.Sc., M.Ed., Ph.D

ORGANIZING COMMITTEE

Mrs. S.T.Asheeba, M.Sc., M.Phil.,(Ph.D)
Head , Assistant professor
Dr. S.Moorthy, M.Sc., M.Phil., Ph.D.
Assistant Professor,
Mr. S.Shanmugam, M.Sc., M.Phil.,B.Ed.
Assistant Professor
Mrs. J.Juliet , M.Sc., M.Phil., B.Ed.
Assistant professor

FOR ANY ENQUIRES AND CLARIFICATIONS PLEASE CONTACT

Mrs. S.T.Asheeba 9444962006
Dr. S.Moorthy 9789946021

RECENT ADVANCES AND CURRENT TRENDS IN BIOSCIENCE

8TH FEBRUARY 2013

DEPARTMENT OF BIOCHEMISTRY

ABOUT THE COLLEGE

The Asan memorial college of arts & Science was established as a self financing co-educational institution in the year 1994. The campus is situated in a beautiful spacious Greenland in Chennai. The college was formally inaugurated by His Excellency Mr.K.R.Narayanan, the then Honorable Vice-President of India in December 1994 in the presence of His Excellency Mr.Vakkom Purushothaman, The then Lt.Governor of Andaman & Nicobar. This is indeed the youngest college in Chennai having got the accreditation by NAAC and the college is affiliated to University of Madras.

The cherished objective of the Institution is to equip young men and women students with knowledge in respective job oriented subjects, good character and true sense of human values, the college offers 14 UG and 4PG(self supporting) programmes, research programmes such as M.Phil (Biochemistry and Microbiology).

ABOUT THE DEPARTMENT

The department of Biochemistry was established in the year 1994 and then it was elevated to a PG Department in the year 2000-2001. The department offers a Research Programme (M.Phil) from the academic year 2007-2008. The department is the first of its kind to offer Research Programme in Biochemistry under Self-financing category affiliated to the University of Madras.

ONE DAY NATIONAL CONFERENCE ON
RECENT ADVANCES AND
CURRENT TRENDS IN BIOSCIENCE

The department organizes workshops, guest lectures, science exhibitions, Awareness camps and seminars to facilitate its interaction with students and faculties from other institutions. The UG & PG students of the department have brought laurels to the institution by securing ranks at university level.

The Department has state-of-art laboratories and well equipped instruments to cater to the needs of the modern developments in Biological Sciences.

ABOUT THE SEMINAR

The goal of this seminar is to provide a glimpse of the emerging trends in biological science research, their future prospectus and perspective on the upcoming challenges, with a particular emphasis to attract and support its next generation of scientific leaders in the field of biosciences. The organizers would be pleased to host wide range of resource persons from various disciplines of biological sciences to deliver lectures on recent advances and emerging trends in biosciences and its future prospects. The main target of this seminar is to motivate young researchers, teachers and students and to aware and expose to the latest trends in bioscience research through the deliberations and sharing of knowledge during the seminar so that they may build a successful career in Bioscience.

CALL FOR PAPER/ABSTRACTS AND POSTERS

Original research papers or Posters pertaining to the title of the conference are invited from faculty, research scholars and students(UG/PG) from academic institutions.

Research papers from following areas/disciplines are also invited:

**Computational Biology,
Stem cell therapy
Microbial genetics
Anti cancer therapy
Phytochemistry
Marine biotechnology
Pharmacy in medicine
Neurochemistry
Nanotechnology
Applications in Genetic Engineering
Bioremediation
Metabolic Disorders
Medicinal chemistry**

Instruction to Authors :

Authors are requested to submit one page extended abstract in MS word file format not exceeding 250 words giving in A4. Participants are requested to send the abstract along with the registration form via email to asanbiochem@gmail.com, anjummmohandas@gmail.com on or before 31TH Jan 2013.

**Font type: Times New Roman
Size: 12, single line spacing
Title of the paper: 14 pt bold capitals, centre aligned
Authors of papers selected will be intimated.**

FOR POSTER

It should be in 80cm X 90cm
